AJ #23 TAMIA WATKINS HEADED TO THE BASKET WITH YORK PREP #14 TAYLOR SOUTHALL TRYING TO GUARD TAMIA.....AJ WINS 54-36 (Gwynn Leaird)

**Beginning Monday, February 8, any South Carolina resident aged 65\* or older, regardless of health status or preexisting conditions, can begin scheduling their appointment to receive the COVID-19 vaccine.** DHEC's online tool at [scdhec.gov/vaxlocator](https://scdhec.gov/vaxlocator) shows locations currently accepting appointments for COVID-19 vaccine and provides contact information at those locations. \*See the complete

listing for who is eligible for a COVID-19 vaccine.

It takes two shots of COVID-19 vaccine to get maximum protection against the disease. Both the Pfizer-BioNTech and Moderna vaccines are 94 to 95 percent effective in preventing COVID-19, but only after you receive both shots.

Reminders for getting your COVID-19 vaccine:

Make an appointment with a vaccine provider, found at <https://scdhec.gov/vaxlocator>, to guarantee you'll receive your shot.

You need to make two appointments, one for your first dose and one for your second dose.

You should make your appointment for your second shot at the same location where you receive your first one.

Make your second appointment while you're at your first appointment, no later. Don't leave your first appointment without knowing how and when you'll get your second shot.

Until more vaccine is available, some appointments may need to be rescheduled for a later date if a provider runs out of vaccine. Providers will contact people directly if they need to reschedule an appointment.

If you need to reschedule an appointment, remember to cancel your initial appointment.

We take great pride in knowing that our community partners continue to remain steadfast in their commitment to help us protect the health and safety of all South Carolinians. Thank you for sharing this important information!

**Statement from Dr. Sarvia Saccocio, ambulatory chief medical officer and co-lead of Prisma Health vaccine task force**

Prisma Health will not be able to hold any walk-in vaccinations the rest of this week.

There are two factors that led to this decision. First, the delivery of our supply was changed at the last minute on Friday. We were told our supply would come in stages over several days this week, instead of Monday and Tuesday mornings. This morning we received only a partial supply delivery for the Upstate -- and we still do not know the amount of the rest of supply we will receive this week for the Upstate or the Midlands.

The second factor is that the 65-69-year-old group showed up in overwhelming numbers today, and we have exhausted all of our walk-in vaccine supply for this week.

People who are due for their second dose -- but who did not have an appointment -- should now make an
