Outdoor Adult Exercise Equipment at Stevens Park in Kershaw

"Looking for a way to get fit during this new year? State of the art outdoor exercise equipment is available for persons over the age of 14 at Stevens Park! There are five separate work out stations that are designed for aerobic fitness,

and strengthening muscles in the arms, legs and abdominals. This opportunity is free for the gen-

eral public and is installed just behind the Welsh's Station Playground in the park. Work out while your children are playing in the playground,

or riding their scooters around the playground! The equipment is also built for a two person workout. Bring a friend and visit while you exercise!

There is also a brand new shuffleboard court for family and senior fun, a sand volleyball court for pick-up games and a 1 mile walking / hiking trail that takes you through the natural areas of the park! Stevens Park offers plenty of ways to

exercise outdoors while remaining safe during this pandemic. Stevens Park is located at 200 Close Circle on the edge of the Town of Kershaw."
