To the Editor Letter on Roads and Potholes

To the Editor,

It is shameful that in the Town of Kershaw we have to drive on so many pot-holed repaired roads.

Every road that comes into Kershaw is in dire need of paving. Not more pothole repairs.

Old Lancaster Highway, just past A.J. High School has 58 pothole repairs in a 30 foot section of road. This doesn't count the other repairs on this one mile road.

Highway 341 that comes into Kershaw, oh my goodness, you can't even drive the 35 and 45 posted speed limits due to the many, many pothole repairs.

Don't even get me started on the potholes that surround our Town of Kershaw Fire Depart-

ment. It is shameful that they have to navigate their fire trucks on the many, many potholes on Cleveland and Hampton Streets. There are so many pothole repairs on all these streets that you can't count them all.

We in Kershaw pay property taxes, gas taxes, food taxes like everybody else. It's time we get some nicely paved roads. I don't care to hear that there isn't enough gas tax money because not as many people are driving to work for the last 1 1/2 years due to the pandemic. Our roads looked like this for years! Before now, it would have been nice if we had some of our roads paved. Now, it's a necessity!

Somebody needs to get behind this, DOT, Politicians, Somebody and help to get roads paved in Kershaw.

 Kershaw, SC

JES news tip: Staff member highlight.....Sara Fakoury!!

The 2020-2021 school year has been filled with challenges: Virtual learning and teaching; classes that added/dropped students frequently because of changes in learning options; masks mandates, and quarantines to name a few. How does any successful school overcome challenges? Stay positive, find solutions, and use your resources/staff members accordingly!

Jackson School struck gold when Sara Fakoury was assigned to the school as the Family Engagement Coordinator. Through Sara's efforts, the school has implemented:

*KCS D ELL-vate (An event planned to help English Language Learners and their families understand how to navigate the district's technology, utilize community resources, and help their children at home.)

*JES Drive Through Drop Off/ Pick Up (Events held weekly for virtual learners and their families to drop off/pick up items including school work and food. In addition, Sara had school supplies donated by community members and distributed at a drive through event.)

*Induction Teacher "Do This, Not That" Session (Facilitated a session for teachers brand new to the profession on how to successfully hold parent/teacher conferences.)

*JES Caring Bears Outreach (Sara and a JES team visited local

apartment complexes to help virtual families understand how to access grades and assignments. She also delivered school supplies and free books.)

*JES Book Lunch Bunch (Sara developed a partnership with the KC Library. During lunch, selected students attended virtual meetings with representatives from the library while being face-to-face with Mrs. Fakoury. They discussed elements of writing.)

*JES Read-A-Thon (Mrs. Fakoury spearheaded our fundraising efforts within the school and community. Money raised was used to purchase a book vending machine!)

*JES Book Bike Grant (Sara wrote and was awarded a grant for our school's book bike. The bike is used to visit classrooms and give away books for students to use in building their at home libraries.)

*Library Cards (Through Sara's efforts, many virtual families were able to sign up for library cards during one of the drive through events held at JES.)
