

1 or 2 days a week doesn't seem like much but...

If your child misses...	That equals...	Which is...	And over 13 years of schooling that's...
1 day every 2 weeks	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years of school
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

How about 10 minutes late a day? Surely that won't affect my child?

He/she is only missing just...	That equals...	Which is...	And over 13 years of schooling that's...
10 mins per day	50 mins per week	Nearly 1 ½ weeks per year	Nearly ½ year
20 mins per day	1 hr. 40 mins per week	Over 2 ½ weeks per year	Nearly 1 year
30 mins per day	Half a day per week	4 weeks per year	Nearly 1 ½ years
1 hour per day	1 day per week	8 weeks per year	Over 2 ½ years

EVERY DAY COUNTS

If you want your child to be successful at school then, YES, attendance does matter!
