Second Look Charities presents \$5,000 check to NCHS Band

Second Look Charities presented North Central High School (NCHS) Band Director Jonas Nix with a check for \$5,000.

Second Look raises funds for organizations that significantly enhance the quality of life of people in Kershaw County through its charity shop, Second Look Thrift Store, in Camden.

The organization is proud of NCHS and its band, which empowers students to become competent, lifelong learners through a positive environment and challenging curriculum.

"Christmas Lights in the Park"

The KCPC (Kershaw Community Park Council) and other churches and groups in the community, in cooperation with the Town of Kershaw are hosting the 2nd annual Christmas Lights in the Park event at Stevens Park (200 Close Circle) in Kershaw on Saturday evening, December 4th from 6-9 pm. The event was a highlight of the Christmas season in the community last year and looks to be as special this year. This is a free event that compliments the annual Christmas Parade sponsored by the Kershaw Chamber of Commerce, which both encourage the celebration of the very special meaning of Christmas with the entire community.

The Simple Faith Ranch Live Nativity will be present this year (sponsored by Team Church), along with Santa, and live caroling by local singing groups. Lights covering the park provided by the KCPC, the Whaley family, The AJHS Drama Group, and multiple churches (Second Baptist, First Baptist, Oak Ridge Baptist) will delight your hearts. Make plans to drive through the park with your family and friends that evening to enjoy the sights and sounds and celebration of Christmas.

If any other community groups or churches are interested in "lighting up a space", or providing some caroling music in the Pavilion, please contact the KCPC at .kershawpark@gmail.com.
