

55+ Communities Spring to Life in the Tri-City Area

Laurel Springs and Oak Haven at Westbury Offer Options

Nestled in quiet suburban neighborhoods, two communities for active adults over 55 have come to life.

These new housing options for lease offer a lifestyle fit for anyone seeking the comforts of home without the responsibilities and costs incurred with home ownership.

The units are one, two and three-bedroom duplex, triplex and four-plex cottages. Each comes fully equipped and move-in ready from day one. Carefully designed to suit an active, older adult, these custom designed homes offer features seen only in high-end properties.

All units share a host of upscale amenities. Granite countertops are in every unit. Some feature wood flooring and upgraded ceramic tile. Kitchens have either gas or electric stoves. All come equipped with washer and dry-

er, stainless appliances and more than ample pantries and oversized walk-in closets. Many feature gas fireplaces and attached garages.

Complimentary wi-fi and basic cable are part of the package which also includes water, trash and sewer service.

Both communities have inground pools, exercise areas with equipment, theater rooms and safe room shelters.

Neighborhoods are gated and fenced for resident safety and privacy. Walking trails can accommodate even the most serious fitness buff.

A daily calendar of events provides a series

of activities to capture the many varied interests of the residents. Lunch and dinner out, day trips to local area attractions and sporting events, card games and social gatherings are just a few many opportunities available to the communities.

Laurel Springs, the more established neighborhood, is in Mustang, conveniently close to shopping and recreational facilities.

Oak Haven at Westbury is the newest of the RW Companies 55+ communities. It just opened its first phase of cottage homes on what was formerly the Westbury Golf and Country Club in Yukon.

Prospective residents are encouraged to call or come by either location. Both are open for touring Monday through Friday.
