Gleason Middle Brings Experience Back to Roster

The off-season for the Gleason Middle School Bulldog football team has been a challenge this summer, but head coach Noah Lampkins said the team will look a lot different on the field.

“Junior high has been a challenge this off-season. We had good numbers during school, but once summer hit, it was hard getting everybody lined up. This

team will look a lot different,” Lampkins noted.

While the team has 14 eighth-graders listed on its roster for the season, Lampkins said the guy who will “make them team go” is seventh-grader Gage Byington.

Byington can run the ball, is a good size and a good athlete.

“He has good speed, good vision and is strong. We are looking for big things out of him,” Lampkins said.

Another player who has re-

ceived “compliments” is returning eighth-grader, quarterback Brody Sanders. At tight end is senior Drake Lehmkuhl, who Lampkins described as a good athlete as well.

Moving to the guard position in the gun is eighth-grader Aiden Legens, who was tapped at fullback.

Legens will step up in both positions as needed.

At offensive tackle is eighth-grader Trey Mayo, who is doing good things for the team,

according to Lampkins.

At primary safety and receiver, fans will notice eighth-grader Brock Dilday.

The team has one sixth-grader and two seventh-graders on the roster this year.

During the time of the interview, Lampkins was still working on setting up the remainder of his offensive and defensive lines.

The Gleason Middle School Bulldogs play at West Carroll Thursday, August 26.

Kick-off is at 6:30 p.m.
