

# Busy Saturday planned in downtown Vernon

Saturday will be busy in downtown Vernon.

This Saturday, September 25 from 4 to 7 p.m., the Vernon Main Street District is once again hosting the Vernon Main Street Wine & Art Walk with a special Imagine the Possibilities Tour.

The Wine & Art walk private shopping and social experience will have wine, beer, dessert and art. Participating businesses will host a winery or serve regional wines, beer samples from area breweries, homemade desserts, and art on display from regional artists. The art will be on display in buildings featured in our Imagine the Possibilities Tour during this event.

The Imagine the Possibilities Tour is a tour of featured buildings in the Vernon Main Street District that are for sale or lease.

With the City of Vernon

becoming a part of the Texas Historical Commission's DowntownTX.org website, the city became eligible to host the tour. It is designed to connect available historic properties with interested new

stewards. The tour allows participants special access to spaces, and provides insider information from experienced downtown professionals. Selected properties featured on the city's Down-

townTX.org page are open and accessible to the public, and tour attendees obtain additional information on local downtown development and business resources.

"We are excited to have you on this tour and see your imagination run wild as you dream up a business that will fit perfectly in one of the spaces. Tickets are available now for \$20 at 1614 Main Street M-F 9-4 or online on the event website. Come mingle & dream," said Tourism Director Amanda Lehman.

Both events follow on several VHS class reunions scheduled this weekend at part of Vernon High School's Homecoming celebration and gae Friday night at 7 p.m.

Contact Lehman at the City of Vernon at 940-552-2581 for more information about the Walk or about the Tour.
