

UPGRADE YOUR KITCHEN

KITCHEN:

Take a moment and look at this amazing custom slick clean look, which consists of maple white kitchen cabinets with weaver door style, 5pc. drawer fronts, rustic wood hood, full extension soft-close drawer, finished raised end panels and 7 1/4" cove crown from Let our team design & build your dream kitchen for you.

All of Bath & Kitchen Idea Center cabinets are custom solid wood, dovetail, full-extension & soft-close drawers.

The doors are also soft close and have six way adjustable hinges.

LIGHTING:

Ever Heard of Toekick Lighting? Toe kick lighting can really show off cabinetry, defining its baselines and even creating the illusion that it's "floating." It can also add dimension and bring subtle attention to your flooring. Another benefit? Safety. Toe kick lighting doubles as a nightlight, which comes in very handy for things like midnight snack runs.
