## Your One-Stop-Shop

by Linda Dillon

Winsupply and Bath & Kitchen Idea Center is a full-service distributor of Lighting -Bath & Kitchen Cabinets, Countertops, Plumbing, Irrigation and PVF supplies.

We're the perfect one-stop-shopping experience for completing our customer's bath or kitchen remodels," said Jenney Payne, showroom manager at Bath & Kitchen Design Center. "Whether selling a home, or just contemplating a small remodel, Winsupply & Bath & Idea Center have beautiful items that will fit any budget."

They're also a perfect fit for the "do-it-yourselfer" homeowner replacing a single faucet, outfitting an entire house, or for a professional contractor referring their customers.

"While walking into our 5,000 sq. ft. showroom, keep an open mind of how you want to update your space," said Jenney. "Some customers find just starting with a new bath or kitchen faucet can really shape the rest of the room." "It's always helpful to let us know your budget so we can show you beautiful items that will fit perfectly into your budget."

"We provide gorgeous cabinets, beautiful counter tops,

bathtubs, showers, sinks, plumbing and unique lighting," said Jenney, and our "all wood" cabinets are built of the finest materials using methods that produce the highest quality. Cabinets come in cherry, maple, oak, or hickory.

Bath & Kitchen Idea Center is offering free financing, free delivery and a 10 year warranty on cabinets. "The lead-times after signing off are approximately 3-4 weeks for delivery, and if there are any issues, the turn around time is 24-48 hours," Jenney said.

"Come see our beautiful cabinet displays in our showroom." "Once you make your cabinet selection we can provide you with the installer." "All you'll need is your personal contractor for any plumbing needs."

Winsupply and Bath & Kitchen Idea Center prides on offering their customers premium service, employees with in-depth knowledge, fair prices and a wide variety of beautiful products.
