

LIVE WELL, SMILE MORE

Bluegrass Dental has always taken care of me and my family! The staff is so personable that we all are beyond comfortable anytime we're in. The cleanliness of the office is immaculate as well! Anytime I have any issues they are sure to get me in ASAP and take the best care of me. I would highly recommend Bluegrass Dental for any work you may need! - Rachel E.

"They did an excellent job with replacing my old fillings and also with a crown. Each time I was there they got me back quickly so I never had to wait more than a minute in the lobby. I also got a free white Whitening kit with my first cleaning there." - Shannon C.

"Greatest dental appointment EVER! They work extra hard to keep the patient comfortable, informed, and on time!" - Scott R.
