

Community Earthday Beach Cleanup

Volunteers for the Lake Worth Beach Community Earthday Beach Cleanup were welcomed back with a beautiful day - not too hot; not too cold; a little windy but not wet. Sponsored by Keep Palm Beach County Beautiful the volunteers came from all over the community. Though the usual crowds couldn't be there due to COVID19, for those who turned out to help keep our beach and area clean, it brought back warm memories from past years. Photos courtesy Carolyn Deli.
