

Should we be concerned?

To the Editor:

In a speech in 1838, Abraham Lincoln stated that danger to America would not come from "some transatlantic military giant." He further stated "If destruction be our lot, we must ourselves be its author and finisher. As a nation of freemen we must live through all time or die by suicide."

To date, Lincoln has been correct in his first assessment. America has survived two world wars and other major conflicts and our flag still waves. It's Lincoln's second assessment that causes concern.

Could America actually be destroyed from within?

After spending a decade in the FBI, Cleon Skousen authored the book *The Naked Communist* in 1958. In the book, Skousen lists 45 Communist goals. Fifty-eight years ago on January 10, these goals were read before the U.S. House of Representatives. Thirteen of these goals, listed below, are eye-opening.

#16 – Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.

#17 – Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations.

#24 – Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.

#25 – Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.

#27 – Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."

#28 – Eliminate prayer or any phase of religious expression in the schools on the grounds that it violates the principle of "separation of church

and state."

#29 – Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs.

#30 – Discredit the Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man."

#31 – Belittle all forms of American culture and discourage the teaching of American history on the grounds that it was only a minor part of the "big picture."

#38 – Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders.

#40 – Discredit the family as an institution. Encourage promiscuity and easy divorce.

#41 – Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

#42 – Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special-interest groups should rise up and use "united force" to solve economic, political or social problems.

Should we be concerned? When one considers how well the goals mentioned above have been or are being achieved, it appears the answer would be yes. And it is chilling to consider that half of American's between the ages of 18-29 have a positive view of socialism.

F. Payment of License Fees; delinquency

No Licensee shall enter into or begin operating any business for which a license is required by this chapter until the license fee has been paid in full. The fee for renewal of any license shall be paid with the renewal application. Any Licensee failing to pay the fees, including penalties, within ten (10) days after such fees are due may be subject to revocation of the license and to other penalties as provided in this Ordinance.

G. Refund of Fees

- Should any Licensee under this Ordinance be prohibited from conducting the licensed business for the full period covered by the license because of any changes that may hereafter be made in the laws of the Commonwealth with reference to alcoholic beverages or other cause outside Licensee's control, then the City shall refund to Licensee the proportionate part of the license fee for the period during which Licensee is prevented from carrying on said business if the Licensee provides sufficient proof to the City ABC Administrator that such period of inactivity was not the fault of the Licensee nor the result of a revocation, suspension or other wrongdoing by Licensee, or an agent or employee of the Licensee.
- In the event a violation of this Ordinance occurs that results in the suspension or revocation of the license, the City shall not be required to refund any portion of the license fee.

H. Regulatory License Fee

- Pursuant to KRS 243.075, there is hereby imposed a Regulatory License Fee on the gross receipts of sale of alcoholic beverages of each Licensee who has a local license issued by the City ABC Administrator. The City's Regulatory License Fee shall be fixed annually in the City's Budget Ordinance at a percentage rate reasonably estimated to fully reimburse the City for the costs of any additional policing, regulatory or administrative expenses related to the sale of alcohol. Initially, the City's Regulatory License Fee shall be six percent (6%) of gross sales of all alcoholic beverages sold by the drink. In the case of retail sales of package distilled spirits and wine, the Regulatory License Fee shall be six percent (6%) of gross sales. The Regulatory License Fee shall be six percent (6%) on gross retail sales of package malt beverages.
- Payment of said regulatory fee shall be remitted to the City ABC Administrator, who shall transmit all fees to the City Clerk, or his/her designee, for deposit into the appropriate designated account. The City may use said fees as permitted by law, including but not limited to, any cost of additional policing, regulatory or administrative expenses related to the sale of alcoholic beverages in the City. The regulatory license fee shall be in addition to any other taxes, fees or licenses fees imposed permitted by law, except that a credit against a regulatory license fee shall be allowed in an amount equal to any licenses or fees imposed by the city of county pursuant to KRS 243.060 and KRS 243.070.. Said paperwork and payment will be due according to the schedule set forth by the Mayor, or his/her designee, which may be set at, but is not limited to, time periods consisting of a monthly or quarterly billing by the local ABC office and/or the City.
- Failure to pay such remittance within ten (10) days of the due date constitutes a violation and shall subject a Licensee to suspension or revocation.
- Penalty for failure to file a return and pay remittance by the due date is five percent (5%) of the regulatory fee for each ninety (90) days or fraction thereof. The total late filing penalty shall not exceed twenty-five percent (25%) of the regulatory fee; provided, however, that in no case shall the penalty be less than ten dollars (\$10.00).
- Interest at the rate of eight percent (8%) per annum will apply to any late payments.

I. Disposition of Fees and any other type of payment to the City.

The City ABC Administrator shall transmit all fees and any other types of payment made to the City, upon collection, to the City Clerk, or his/her designee, for deposit into the appropriate designated account. The regulatory fee set forth hereinabove remains unchanged from the prior ordinance. The Ordinance sets forth the procedures to obtain a license, restrictions on hours for sale and deliveries, restrictions on signage and advertisement and procedures for the identification of "kegs" as defined in the Ordinance, as well as other minor amendments to the existing ordinance. Further, regulation of patio and outdoor sales are set forth therein. Finally, the Ordinance provides, in addition to the penalties set forth hereinabove, other penalties for violations of the Ordinance as follows:

- In addition to any criminal prosecution instituted in Green District Court against an alleged violator, the City ABC Administrator may assess civil fines in lieu of suspension as authorized in KRS 243.480, including the per diem assessments for ongoing violations. Payment of all fines shall be remitted to the City ABC Administrator, who shall then transmit the fines to the City Clerk for deposit in the appropriate designated account.
- Any person, firm or corporation who violates any of the provisions of this chapter, for which no other penalty is hereby provided, shall be guilty of a misdemeanor, and subject to prosecution in the Green County Court System, as follows for the first offense, be fined not less than one hundred dollars (\$100.00) nor more than five hundred dollars (\$500.00), or imprisoned for not more than six months, or both. The penalties provided for in this subsection shall be in addition to the revocation or suspension of the offender's license. If the offender is a corporation, LLC, joint stock company, association or other business organization, or a fiduciary, the principal officer or officers responsible for the violation may be imprisoned.

This Ordinance in its entirety shall be on file in the Office of the City Clerk of the City of Greensburg, being marked and designated as Ordinance No. 2020-1214
