## MEET THE DRAGONS

Comments by Coach Keith Young

#20 • Hayden Blakeman  
 Freshman • 6'3" • Forward

Hayden is having a great freshman season. He recently had an outstanding game against Campbellsville with 15 points, 5 rebounds, 5 assists and 2 blocked shots. Hayden has great moves and a good touch around the basket. He can also shoot the 3. The sky is the limit for this young man that seems to get better each game. He is a big reason for our 3-1 start.

#12 • Kelson McKinney  
 Freshman • 6'0" • Guard

Kelson is having a great season. He is really strong for a freshman. He is one of our best defensive players and usually guards the other team's best player. Kelson can also score in many ways. He can get to the basket on drives or he can hit the outside shot. Kelson also can rebound from the guard position. This guy has a bright future.

#15 • Jayden Marr  
 Freshman • 6" • Guard

A good floor general that does everything well. He is a good shooter from 3 and also good at driving. He makes good decisions with the ball. Jayden also has very quick hands and is a good defensive player. He recently had 19 points in playing half a JV game. He is one of our first subs off the bench in the varsity game. This is another freshman that has a very bright future.
