**MEET THE DRAGONS**  
Comments by Coach Keith Young

**#32 • Julian Seymour**  
Freshman • 5'9" • Guard

**#55 • Logan Patterson**  
Freshman • 6'4" • Guard

The best way to describe Julian is by saying he is an extremely hard worker that plays hard all the time and knows how to play the game. He is a winner. Julian is a great defensive player that can shut someone down. He also is very good at anticipating passes on the press. He has an ability to go get to the basket and score. Julian is another member of the freshmen class that knows how to win. He has a super attitude and is a fine young man.

Logan has shown great improvement. He is very athletic and has good quickness. He has the ability to block shots and is a very good rebounder. Logan has the ability to hit the 15 foot shot and has good touch around the basket. Because of his size, he is a very important player for the future.
