**#34 • Kinsley Robertson**  
8th Grade • 5'6"  
• Forward

Mia's outside shooting has improved as she has got stronger over the last year. Mia has a good understanding of the game and does a good job of getting players in the right spots. Mianeedstoimprove on finishing around the rim and learn how to draw fouls.

Kennedy has grown about 5 inches over the last year and her game continues to improve every day. Kennedy can play inside or outside because she has a good 3-point shot. Kennedy has some of the best post moves on the team and her best days are ahead of her.

Kinsley really understands how to play and doesn't try to do things she cannot do. Kinsley does a great job of using her body to get rebounds in traffic. Kinsley is working hard on her offensive game and is improving her ability to finish around the basket.
