Grants for Growing

STAFF REPORTS

Grants for Growing (G4G) is a competitive grant program for middle and high school FFA chapters that are developing and improving project-based or experiential learning opportunities for students. FFA chapters may apply for up to \$5,000 through the G4G program, sponsored by Tractor Supply Company (TSC).

Funding is provided by consumers who purchase an FFA paper emblem at TSC stores during checkout. Emblems can be purchased at any denomination.

Grants for Growing provides funding to

support one of three areas:

Grow Your Classroom — Funding can be used to support increasing students' classroom knowledge.

Grow Your FFA

Chapter — Funding can be used to support the development or expansion of an FFA chapter and leadership opportunities.

Grow Your Ag Awareness — Funding

can be used to support the development or expansion of an agricultural literacy event or campaign.

FFA chapters can develop projects in one of these areas. To learn more, read the Grants for Growing FAQ for Chapters.
