The GCMS Cheerleaders traveled to Louisville's Broadbent Arena Sunday, Feb. 21 and competed in the CheerMax Cheerleading Competition.

The team's preparation was limited. Coronavirus and weather cancelled a number of practices. The cheerleaders practiced on their own and were rewarded for their dedication.

The team achieved the highest score in school history, a 98.2, and were awarded first place in their division.

Head coach Trisha Hall was pleased with her team's performance.

"I am so proud of our squad this year! We have overcome many obstacles just to be able to go and compete," said Hall. "In a year where many cheer teams just decided to wait until next year, we carried on and persevered, and that hard work definitely paid off!"

The team earned a partially paid bid to Nationals. CheerMax Nationals is scheduled to be held April 10-11 in Cincinnati's Duke Energy Convention Center.

GCMS Cheerleaders are: 6th grade- Peyton Anderson, Kylee Curry, Olivia Clark, Hayli Milby, Cora Whitlow;
