

Re-enactment

From page 2B

The group has a community even planned for October 30th, An All Antebellum All Hallows Eve, which will take place at American Legion Park in the field behind the arena. This will be a Living History Event and they invite the public to come and see a full camp, demonstrations and presentations of candle making, sewing and knitting, education, and medical and illnesses during the war, History presentations on the War in Green County, Soldier life, Music, as well as artillery demonstrations, and even some

legends and spooky campfire stories. Also, of course they invite the kids to come by the camp sites and trick or treat. There will be plenty of candy! The event will start at 11:00 AM Central Time. A full schedule will be posted soon. All members of the crew are properly certified and proper safety precautions are used when firing and handling this amazing piece of history. If you would like to learn more about this group or how you can participate you can find them on Facebook under Glover's Station Reenactment Community.

Summersville Baptist

From page 2B

Services were held once a month, consisting of a Saturday business session and preaching on Sunday, and the pastors usually came into the community and spent the weekend in the homes of the members. Consequently, the church had no need for a Treasurer until 1934, when Mr. Ezra Gumm was elected to the position, serving for twenty-one years. The need for modern facilities was felt as the church grew. A new building was completed on December 6, 1947 and dedicated the following day. It included seven Sunday school rooms, a dining room, a library, and a pastor's study. Rev. Leon Larimore preached

the first sermon there. Thanks to the fundraising efforts of the congregation, the building was paid off by August of 1948. Enough money remained in the church budget that the decision was made to purchase an adjoining lot for future use. The church began holding worship services on a fulltime basis in 1950 with Rev. Leon Larimore as pastor. There have been many changes to the property over the decades. A parking lot was added and eventually blacktopped, additional Sunday school rooms were constructed, as well as a baptistery, front portico, and steeple. A pastor's home was

constructed adjacent to the church. In 1972, another bath, a den, and garage were added to the home. The Woman's Missionary Union (WMU) of Summersville Baptist Church was organized in August, 1951. Mrs. Mildred Bell was the last living charter member of the church. She died in 1963 as a resident of Jefferson County for more than 30 years. Mrs. Ella Gumm was the last charter member living in Green County. She died in 1961 at the age of 98, having been a resident of a nursing home in Barren County for less than two years. Mrs. Ella had been a faithful, active member throughout her life.
