CF International Film Series Kicks Off Jan. 26

The College of Central Florida is excited and proud to continue its long-running International Film Festival with a safe, socially distanced format featuring classic, international films and scholar film talks. Screenings will take place at the Ocala Drive-In theater located at 4850 S. Pine Ave., Ocala, for free followed the next day with an online discussion. Each film can also be screened from the safety of one's own home at a time of convenience via free, internet film streaming services. The Ocala Drive-in film screenings and accompanying scholar film talks on topics central to each film can be viewed on the dates and times listed below.

The first film, "Man with a Movie Camera," will be featured on Tuesday, Jan. 26, at 7:30 p.m. with online discussion on Wednesday, Jan. 27, from 12:30-1:30 p.m. hosted by Janna Jones. This 1929 Soviet film by Dziga Vertov is an early experimental documentary that depicts daily life in the Soviet Union in 1920s, but it also is full of playful and breathtaking cinematic tricks. Vertov takes full advantage of the observational powers of the film camera, for he wanted to reveal the ways in which the cinema eye can capture ordinary life. This is a silent film and has a total run time of 80 minutes. Jones, the host for the Wednesday discussion, is a professor of Creative Media and Film in the School of Communication at Northern Arizona University in Flagstaff, Arizona. A 20th century historian, Jones' scholarship focuses on the history of cinema-going, historic movie theaters, amateur filmmaking, public exhibition, architectural preservation, urban and suburban history, and public art.

Event By Firehouse CPR Solutions LLC

Basic Life Support (BLS) The AHA's BLS course trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an AED. Reflects science and education from the American Heart Association Guidelines Update for CPR and Emergency Cardiovascular Care (ECC).

The course will be held Friday, January 29, at 6 p.m. at Silver Springs Shores. The course is free to the public.

Basic Life Support (BLS) Course Options

What does this course teach?

High-quality CPR for adults, children, and infants

The AHA Chain of Survival, specifically the BLS components

Important early use of an AED

Effective ventilations using a barrier device

Importance of teams in multi-rescuer resuscitation and performance as an effective team member during multi-rescuer CPR

Relief of foreign-body airway obstruction (choking) for adults and infants

Call Firehouse CPR Solutions at 352-789-7678 for cost and to reserve a spot. Spots are limited.

Ocala Man Reaches 125 Gallon Donation

Ocala resident Dan Anderson joined ranks of less than 50 Floridians who have reached the 125-gallon blood donor milestone since blood banking began during the Second World War recently at the OneBlood Ocala donation center. He has helped to save or sustain many hundreds of lives and families. He reached that level with fanfare, including cake, balloons and a certificate of his achievement.

Dan Anderson, who owns a Snap-on Tool franchise, began donating in the early 80's, when he climbed on a bloodmobile and donated a pint of whole blood. Once the blood center staff found out his blood type was AB positive, they convinced him to 'target his blood type' by donating his universal donor plasma and platelets. This automated donation allows Dan to give more of his best gift to patients, as often as 24 times a year! Dan said, "I'm a creature of habit and when I commit to something I stick with it."

Get Your Winning Ticket Super 50/50 Drawing

Monthly Super 50/50 Drawing sponsored by the Men's chapter 1014 and the Women's Chapter 1142 to benefit Ocala Moose Lodge. 10035 US 41 Ocala, repairs for the roof, back hall and kids room.

The drawing is held the last Saturday of every month at 8 p.m. Winner need not be present.

CF, Hinson, Bethea, Farm Share Partnering For Food Distribution

Fresh food will be distributed to Marion County families Saturday, Jan. 30, starting at 10 a.m. at the College of Central Florida Hampton Center, 1501 W. Silver Springs Blvd., through a partnership of Farm Share, CF, state Rep. Yvonne Hayes Hinson and Ocala City Councilman Ire Bethea.

Food items are for Marion County residents and are available on a first-come, first-served basis. Participants will be asked to show their IDs. Volunteers will place food items in vehicle trunks to maintain social distancing. Entrance to the drive-through distribution will be at the main entrance of the college on Silver Springs Boulevard. Other entrances will be blocked off. Approximately 500 families will receive food through the distribution.

"It is an honor to work with Rep. Hinson and Councilman Bethea to provide a convenient location and volunteers to distribute food through Food Share during this trying time. It is important that we work together as a community to meet the critical needs of our Marion County residents" said Dr. Jim Henningsen, president of the College of Central Florida.

"The COVID-19 pandemic has upended our entire way of life," said Rep. Hinson. "So many Floridian families find themselves suffering due to financial loss, food insecurity, or the loss of loved ones. In these times, we must look towards each other for support. That is why I am so excited to be working with the City of Ocala and local community leaders on this upcoming Farm Share event to ensure that our neighbors get the food and support they need. This is the beautiful thing about our district. We know how to come together and overcome."

Councilman Bethea said: "We are always looking for opportunities for the community to come together for those citizens in need of our assistance. We cherish this opportunity to serve."

Farm Share is a nonprofit organization based in Jacksonville founded to distribute fresh food free of charge to families, children, seniors and individuals in need throughout Florida. It delivers more than 88 million pounds of healthy and nutritious food each year.

For more information, contact Jessica Kummerle at 352-854-2322, ext. 1598.
