## Good Time Bar & Grill “Mop & Broom” Benefit for Friends With Cancer

By: Shannon Love

Good Time Bar & Grill, located, at 8921 E. Hwy 25 in Belleview, sponsored a 9 Ball Mop & Broom Tournament for friends, Al Rogers and Liz Sterne- mann, who are both under- going cancer treatments at this time.

Friends, family, and the community gathered at their favorite local hot spot for a friendly game of 9 Ball with a great cause. These players were all in hopes of easing the finan- cial burden of cancer treat- ments for this very special

Belleview couple that have been shooting pool and making friends at Good Time Bar & Grill for sev- eral decades.

If you were unable to at- tend the benefit and would like to donate funds to help Al & Liz with their battle, please stop by Good Time Bar & Grill and let them know. Any and all help is greatly appreciated at this time.

And don't forget: Good Time Bar & Grill has live entertainment, a full liquor bar, 15 flat screen TV's, wings, burgers & more.
