### Help Find The Missing Piece For Eric Danzell Humbert, Jr. (Cold Case)

Eric Humbert Jr, was a son, a brother, and a father, whose time was cut short when someone violently took his life. He was only 25-years-old.

Eric was last seen on August 10, 2016, in the area of Dunnellon, Florida. When his family and friends could not reach him, they called the Marion County Sheriff's Office to report him missing. Eric's remains were located by the MCSO Field Force Unit in a wooded area north of the intersection of SW 162nd Terrace and SW 36th Street. The Florida Department of Law Enforcement, the University of Florida C.A. Pound Lab and the Medical Examiner's Office for the Fifth Judicial District determined that Eric was the victim of a homicide by blunt force trauma and sharp force injuries.

We believe someone out there has the missing piece that can bring his killer to justice and bring closure for Eric's family. If you have any information, please call Detective John Lightle at 352-369-6715. Help find the missing piece.
