Lady Gators vs Barbie Bashers

By: Shannon Love

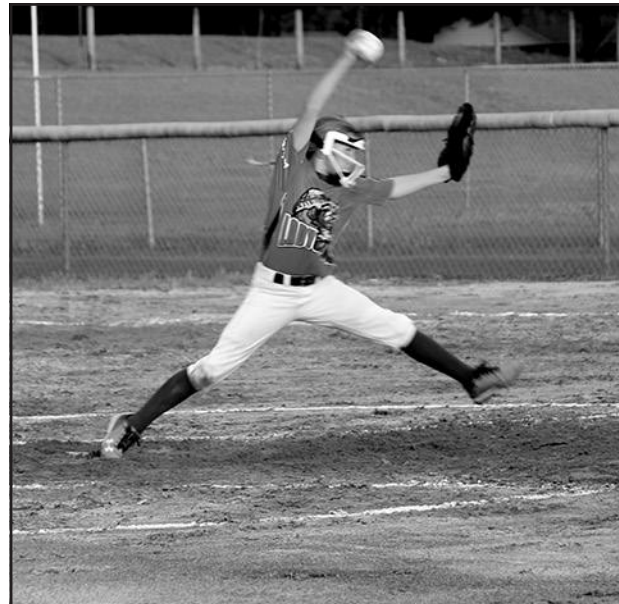

Tuesday, April 20, the Lady Gators and the Barbie Bashers went on the rain stained field and played their hearts out at the Bellevue Sports Complex.

During this game the coaches moved the players around from their usual positions so that each player could get a feel of something different and it didn't seem to phase any of them one bit. They all played

hard and had a great time.

The ball park has been very busy over the last couple weeks as the season will soon be coming to a close. Thank you to all of our players, coaches, parents, umpires, board members & fans for putting in the work to make this amazing season happen.

If you are interested in Coaching or volunteering, please let someone know at the concession stand.
