Bellevue All Stars Hold Team Bonding Day

The Bellevue Girls Softball All Star team held a team bonding day at the ball field on Saturday, June 5th.

Coaches Rick Resko, Amanda Resko and Sean Barrett brought their team together along with a huge tarp, a roll of visqueen and

a bottle of dawn dish soap to not only work on team building exercises but to build relationships off of the field as well.

Team bonding is a unique idea that is used to connect the members of a team and strengthen the relationship between them.

Team bonding is also an ongoing process that helps to increase loyalty among the team members on and off the field.

These girls work hard 2 to 3 days per week practicing for the tournament that is coming up during the July 4th weekend and they

have also been working hard getting together sponsorships, uniforms, etc.

Please join the Ponytail division on Saturday, July 12th as they will be holding a yard sale in the parking lot at the field from 8-2 pm (6501 SE 107th Street). See ya there!

Coach Rick
Slip Slidin' Away

Teamwork

Having fun at the Y.M.C.A.

Noelle Henley

Runnin' just as fast as you can...

Team Bonding

Stuck like glue...

Shannia Smith

Just can't get enough...
