

Lake Weir High School 2021 Graduation

World Equestrian Center Host Graduation

Lake Weir High School held its graduation at the new World Equestrian Center in North West Ocala. The facility easily handled the crowd that came to cheer on the graduates. Over all numbers for people coming to gradation where down due to limited tickets. But the arena and parking lots still had plenty of room for more people. One of the nice features at the World Equestrian Center is a jumbo screen so all the friends and family could see close up as their graduates walk across the stage the stage.
