A Kidney For Justin

When Justin Terrell was 11 years old he got sick with strep throat, a normal kids illness ... Well Justin's was not normal, his strep traveled and made his kidney's its new home. He started urinating blood and on the morning of 11/19/2000 he was hard to wake and was very swollen. He was taken to the hospital where an exploratory surgery was performed, but the doctor could not figure out what was wrong and Justin's health worsened. He was transferred to UF Health Shands in Gainesville, Fl and the doctors knew right away what was wrong with Justin and saved his life. Justin was in the hospital for 7 months, on dialysis and needed a kidney transplant. Justin's dad, Pat was a perfect match and on 6/12/2001 Justin received

his kidney and was able to lead a normal life.

Now after almost 20 years Justin is in need of another transplant. His mom Jill and his sisters

Tiffany and Kristeen are not a match. They are all blood type "A" and Justin is in need of "O"

Justin, is a loving husband, father, son and

brother and needs a living donor kidney.

If your blood type is "O" and you would like to be tested to see if you are a match to be Justin's living kidney donor, please go to the Facebook Page: A Kidney For Justin and send a private message with your name and address. A donor packet will be mailed to you to complete and forward to UF Shands.

A fundraiser Golf Scramble will be held June 19, at the Country Club at Silver Springs Shores, 663 Silver Rd., for Justin.

The fee is \$65 for a full day of fun, with BBQ lunch included. There will also be a 505/50, Silent Auctions, Door Prizes, Mulligans/Grenades & Raffles. To register call- 352-687-2828.
