

Red, White & Blue Celebration at Belleview United Methodist Church

By: Shannon Love

Belleview United Methodist Church held a Red, White and Blue Celebration in honor of Independence Day. The festivities were to include a movie on the lawn, an ice cream social and so much more.

Unfortunately, the Friday movie that was to play on the lawn ended up get-

ting canceled due to severe thunderstorms and weather, but the ice cream social went forward and ended up being a great time of fellowship.

On Saturday, the Thrift Store held a 'Red, White and Blue' tag sale which was a great success. There was also live entertainment by Dennis and Colby, who

was enjoyed by everyone that stopped by.

On Sunday, there was a huge slip n' slide for the children of the community to enjoy along with the beautiful display of fireworks and a large amount of sweet treats in the fellowship hall.

The church had such a great turn out that they hope to make this event a community tradition. Look for the repeat next year.
