MDOT coordinating COVID-19 vaccination transportation

News Release

JACKSON, MISS. – As the fight against COVID-19 continues, limited access to transportation to vaccination sites has become a concern particularly for persons with transportation challenges. In an effort to help residents

in need of vaccination, the Mississippi Department of Transportation (MDOT) is supporting a statewide initiative that assists local residents schedule free rides to local COVID-19 vaccination sites. While not limited to a particular group, the emphasis is placed on linking persons facing transportation challenges, such as disabled or low-income individuals, veterans, and the elderly, with available transportation providers.

117-09.00; Barrett Fondren, 3rd, 93-07.00.

Shot Put - Jace Dean, 1st, 41-11.50; Grayson Marshall, 8th, 32-02.00.

4x100 Meter Relay - Lamarion Buchanan,, Jace Dean, Ashton Tate, Lamence Wiley, 2nd, 46.40.

4x200 Meter Relay - No participants.

4x400 Meter Relay - Jace Dean, Jurdan Engle, Mike Jones, John Ward, 1st, 3:57.29.

4x800 Meter Relay - Cayton Edwards, Jurdan Engle, Ellis Harris, Gibson Parish, 2nd, 9:45:53.

MDOT's toll-free line, 1-866-813-3616, offers information and referrals for transportation to vaccination sites by connecting callers to a designated regional call center.

This initiative is being coordinated through six networks of regional community transportation providers across the state.

"As more people get vac-

inated, the number of COVID-19 cases throughout Mississippi continues to drop. MDOT's goal is to keep that momentum by helping to make vaccination sites accessible to those with limited transportation options," said Commissioner Tom King, Chairman, Mississippi Transportation Commission. "This is just a small way MDOT can help Mississippi take a step forward as everyone works to combat COVID-19."

When contacting the toll-free number, the caller will be able to select their scheduled vaccination site from a menu of six options; Delta Area, Golden Triangle Area, Northeast Area, Central Area, Southern Area and Southwest Area. Once the
