MDCC held Honors Day Ceremony

KEVIN DUEITT

News Release

Moorhead, MS – Mississippi Delta Community College (MDCC) recognized its scholars on April 28 during its annual Honors Day Ceremony. MDCC Vice President of Instruction Teresa Webster welcomed those in attendance and informed them that the event was a special day set aside to honor students for their academic excellence.

Webster explained that two categories of awards would be given out throughout the ceremony. Achievement awards are given for excellence in a particular discipline, whereas departmental awards are the highest honor bestowed upon a student by a specific department.

MDCC President Dr. Tyrone Jackson then took to the podium to issue words of encouragement to the honorees. He began his speech with the quote, "Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

Before awards were presented, Christina Alford, a sophomore at MDCC and 2021 Hall of Fame recipient, performed a song written by her and her fellow students entitled "Conqueror." Co-writer Kenny Coalson accompanied her on piano.

Amyia Rogers, Eli Stall-

ings and Kalann Haymon were recognized alongside Alford as members of the 2021 MDCC Hall of Fame. In order to be eligible for this honor, the students must be sophomores with a scholastic average of 3.5 or better while being in school for at least three consecutive semesters. They must also have rendered service and contributions to the college and possess qualities of leadership, loyalty, character, overall excellent college citizenship and potential community leadership.

Following the Hall of Fame announcement, the department chairs and organization sponsors presented students with achievement and departmental awards for their accomplishments throughout the academic year.

Kevin Dueitt of West, MS received the Electrical Technology Achievement Award.

Webster concluded the ceremony by recognizing faculty and staff who had received honors and awards throughout the past school year.
