

# Honor Student Jazmaree Rich Nominated for The Congress of Future Medical Leaders

**News Release** of Future Medical Leaders  
 DURANT, MS — Jazmaree Rich, a rising Junior at Holmes County Central High School of Lexington is a Delegate to the Congress

Club, Honor Roll, and The National Society of High School Scholars. She is the 16 year old daughter of Reta Bailey and Jimmy Rich, Sr. and is the granddaughter of Gennie Bailey and the late Booker T. Bailey, Jr. of Durant, MS.

The Congress is an honors-only program for high school students who want

JAZMAREE RICH

Medal of Science Winners talk about leading medical research; be given advice from Ivy League and top medical school deans on what to expect in medical school; witness stories told by patients who are living medical miracles; be inspired by fellow teen medical science prodigies; and learn about cutting-edge advances and the future in medicine and medical technology.

This is a crucial time in America when we need more doctors and medical scientists who are even better prepared for a future that is changing exponentially. Focused, bright and determined students like Jazmaree Rich are our future and she deserves all the mentoring and guidance we can give her.

The Academy offers free services and programs to students who want to become physicians or go into medical science. Some of the services and programs the Academy offers are online social networks through which future doctors and medical scientists can communicate; opportunities for students to be guided and mentored by physicians and medical students; and communications for parents and students on college acceptance and finances, skills acquisition, internships, career guidance and much more.

The National Academy of Future Physicians and Medical Scientists was founded on the belief that we must identify prospective medical talent at the earliest possible age and help these students acquire the necessary experience and skills to take them to the doorstep of this vital career. Based in Washington, D.C. and with offices in Boston, MA, the Academy was chartered as a nonpartisan, taxpaying institution to help address this crisis by working to identify, encourage and mentor students who wish to devote their lives to the service of humanity as physicians, medical scientists.

At the May 17 meeting of the Holmes County Board of Supervisors, the Board presented Kaitlin Kimbrough and Davian Derrell Powell with \$500 checks as the Holmes County recipients of the Mississippi Association of Supervisors 2021 County Employee Scholarship.

This year the MAS County Employee Scholarship program awarded \$30,000 in scholarships to dependents of current or retired county employees around the state.

Derrick Surrette, Executive Director of MAS said, "The MAS County Employee Scholarship program is one way that our Association can give back to the employees of our counties. We hope to have an even greater response to the program next year."

The Mississippi Association of Supervisors is a non-profit support association for Mississippi's 82 counties. Since its inception in 1928, MAS has been committed to the improvement of county government across our state. MAS members have been instrumental in implementing efficient and effective grassroots government that serves the general welfare not only of the counties themselves, but of the entire state. For more information on MAS, visit our website at [www.ms-supervisors.org](http://www.ms-supervisors.org).

to become physicians or go into medical research fields. The purpose of this event is to honor, inspire, motivate and direct the top students in the country interested in these careers, to stay true to their dream and, after the event, to provide a path, plan and resources to help them reach their goal.

Jazmaree's nomination was signed by Dr. Mario Capecchi, winner of the Nobel Prize in Medicine and the Science Director of the National Academy of Future Physicians and Medical Scientists to represent Holmes County Central High School based on her academic achievement, leadership potential and determination to serve humanity in the field of medicine.

During the two-day Congress, Jazmaree Rich will join students from across the country and hear Nobel Laureates and National
