

City of Clinton Spring Cleanup begins Saturday, April 10

Special to The Clinton Courier

The City of Clinton’s annual spring citywide cleanup will take place from April 10-17 (except Sunday). During the clean-up period, the City of Clinton will have dumpsters available for residents at the old Northside Elementary School location at 1111 Old Vicksburg Road.

Hours of operation for the City of Clinton’s Spring Cleanup are 7 a.m. until 5 p.m. each day of operation. The site will be closed on Sunday.

Residents utilizing the service are asked to line up on Longwood Place in the Briars and turn west on Old Vicksburg Road for disposal. Due to the expense of the program, the Public Works Department will limit the service to residents of Clinton only. Residents utilizing the service will be asked to show proof of residency. Accepted forms of identification include a City of

Clinton water/garbage bill, a driver’s license or state-issued ID card with a Clinton address.

The spring cleanup days are a service to Clinton residents who may have items too large to dispose of on their regularly scheduled garbage collection days. Residents can dispose of yard waste, bulky items and other household debris free of charge.

The spring cleanup period does not include e-waste, such as old computers, printers or keyboards, which can often be partially recycled; chemical waste, such as used motor oil, paint, paint thinners, propane tanks, batteries, aerosols, antifreeze and insecticides; or items such as car batteries, tires and fluorescent bulbs. A separate time for disposal of e-waste and hazardous materials has been set for May 8, 2021, at the Public Works Facility.

For more information, call 601-924-2239, or visit www.clintonms.org/garbage.
