CPSD faculty and staff get vaccinated

Special to The Clinton Courier

Healthcare providers from Baptist Health Systems administered the Johnson & Johnson vaccine to CPSD employees on Tuesday, March 23. The Clinton Public School District and Dr. Christy Nohra with Baptist coordinated the distribution of the single-dose vaccination, using CPSD's Central Office training room as the location for Baptist employees to administer the shots. Close to one hundred district employees signed up to receive the vaccine. Pictured is Northside Elementary School teacher Stephanie Peabody.
