Last month, the City of Clinton honored ten Clintonians who have been recognized for achievements of excellence in their field at the local, state or national level, with the unveiling of a bronze plaque for each honoree on the Quisenberry Library Trail.

The event was the third installment of the city's Walk of Honorees, located on a one-mile trail at the library. The program was begun in 2018. The individuals recognized either grew up in Clinton or spent time in the city during the span of their achievement of excellence in their area of expertise.

This year's honorees are Dr. Virgil Belue, Dr. Walter Howell, David and Mary Fehr, Rick Anderson, Guy Williams, Calvin Smith, Niesa Johnson, Jerod Ward, Randy Bell and Brittany Wagner.

The library is located at 605 East Northside Drive.
