Coach Shelton's Comments: "I liked how our team competed tonight. I thought we stayed within ourselves and within our game plan. We competed all night, didn't let a couple of mistakes beat us, and were able to continue the fight until we were able to finish the game. Case Sinden did a very nice job. He had a couple of longer innings early on, but battled through and kept us in the game, lasting all the way into the 6th. Randon Mahurin came in and closed Stoutland's attempt at a rally in the 6th and our offense erupted for 9 in the

bottom of the inning to put the game out of reach. The win moves us to 9-5 this spring (3-1 in Conference). We have 3 more conference games next week, with Plato, Richland, and Newburg."

Bulldogs suffer 8-1 loss at Iberia

The Dixon Bulldogs traveled to Iberia on Wednesday, April 21 to face state-ranked conference foe Iberia and suffered an 8-1 loss to the Rangers.

Dixon hurler Clayon Sinden was handed the loss after tossing a complete. He went six innings allowing eight runs (all unearned) on five hits, and struck out five and walked three.

Anthony McCance had an RBI single while Clayton Sinden, Chace Houston and Randon Mahurin got one hit each for the Bulldogs.

Dixon Hitting Stats:

Anthony McCance: 1-3 (1B, RBI)

Clayton Sinden: 1-3 (1B, R)

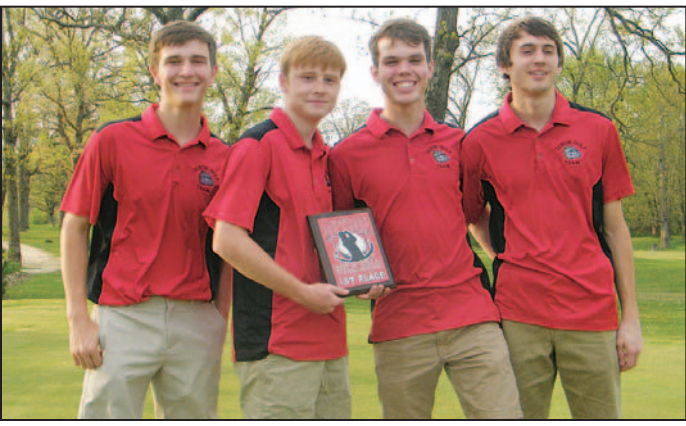

Chace Houston: 1-3 (1B)

Randon Mahurin: 1-3 (1B)

Coach Shelton's Comments:

"Clayton pitched very well for us, despite the final score. We were leading 1-0 in the bottom of the 5th inning, with 2 outs and no one one, and Clayton was cruising. Unfortunately, that is when our defense let us down and we committed 3 errors in 3 plays. The following inning was not much better, as we committed 4 errors, leading to a total of 8 unearned runs for Iberia. It was disappointing for things to turn so suddenly, but if we can learn to finish games we will be alright down the stretch. Iberia is a very good ball team (#1 in Class 2) and it is nice to know we can play with them and probably should have won the game. Our record is 8-5 this spring (2-1 in Confer-
