

Students Decorate Boxes For Valentine's Day Treats

By: Lily Wheelright
Last week Rothsay Public School's elementary students celebrated Valentine's Day by having parties within their classrooms. They shared candy with their classmates, watched movies, and made Valentine's Day boxes.
To do this each class followed guidelines needed to keep them safe, while still being able to have fun and celebrate the holiday.
The fifth and sixth grade classes

competed with their Valentine's Day boxes.
Macy Tillman from the fifth grade won first place with a replica of a toy grab machine, when asked what her inspiration was for the Valentine's box she responded with "I was looking at pictures online and liked the claw machine idea."
Second place went to Mason Heidecker, who created a vending machine.
Memphis Sletten received third

place for his peacock.
Ben Metzger from sixth grade won first place with Yoda wearing a mask, when asked what his inspiration was, he responded with "I made the box last year and ran out

of time, so I just put a mask on it."
Second place went to Brayden Morey who made wagon box that he attached to a truck with a ring pop. Third place went to Emmitt Curtis who created a racetrack pit area.

Knowledge Bowl Finished Up Regular Season

The Rothsay Knowledge Bowl teams had their third and last regular meet on Friday, February 12. The team members have said it is harder to participate through zoom than in person.
Colby Larson says, "It's a little

bit harder to do the written round on Zoom."

The eighth grade team finished in 11th place. The Senior High girls finished in ninth place and the Senior High boys finished in sixth place.

Chris Carrillo when asked how he feels about their placement said, "I feel like we did pretty good this year."

Abby Honer says, "Even though we are on Zoom, it's still fun to be able to participate in and have fun with friends."

The three teams will complete in sections by taking part in a written round towards the end of February.

Then, two of the three teams will advance on to compete on March 11t. Overall it has been a good year for Knowledge Bowl.

Alex Larson Named To Dean's List

St. Cloud State University has announced the names of more than 1,300 students whose academic achievement placed them on the 2030 fall semester dean's list.

Alex Larson was named among those honored. Alex is a 2017 graduate of Rothsay High School and the daughter of Troy and Kelly Larson.

To be eligible for the honor, students must have a grade point average of 3.75 or higher on a 4.0 scale.

C. Fankhanel Named To Honor List

The North Dakota State College of Science has named 395 students to its fall semester 2020 President's Honor List.

Cassandra Fankhanel, Rothsay was among the students named to this list.

The Honor List recognizes students who have achieved grade point averages of 3.5 or higher while taking at least 12 credits with letter grades.
