

About the 2020-2021 School Upgrades:

Barnesville Public Schools is taking all of the necessary precautions to provide a safe and exciting learning atmosphere during the COVID-19 pandemic. We are making decisions with student safety at the forefront and are following the guidelines and recommendations from the MDE as we maintain our small-town feel and atmosphere at Barnesville Public Schools. For more information about our plan, or to inquire about open enrollment opportunities, contact the district office at 218-354-2217.
