

Lake Park, A Great Place To Call Home

When your busy day is done and you're ready to relax and enjoy the comforts of home, where do you go? Lake Park is just 30 miles east of Moorhead and 12 miles west of Detroit Lakes on Highway 10. Lake Park offers you that small "hometown" family feel with a top notch school system along with "big city" conveniences needed to make home life comfortable. Known as the "Gateway to the Lakes", Lake Park offers you exactly what you need such as banking, grocery, hair salon, laundry, café, city pool and park and much more.

The city has been growing by leaps and bounds in recent years. The Lake Park City Council and EDA are actively pursuing opportunities for economic growth. New housing and business opportunities are popping up all over. The Business park along Highway 10 is the home to many businesses. Including The Red Poppy Greenhouse, The Crooked Halo,

Outlet Recreation, Merry Melodies Music Academy, Mysies Meals and The Old Skool Malt Shop.

Don't forget to visit Downtown and see our new bridge, play in the park swim in the pool.

The Lake Park Audubon School District is an important part of the community. More than 705 students are currently enrolled in Grades K-12. The elementary school, located in Audubon, was renovated with additional classroom space added in 2011. The new high school opened its doors in the fall of 2012 and boasts new space, new furniture and advanced technology. The new surroundings have strengthened Lakes Park Audubon's already strong academic achievement reputation. Seeing continual growth since 2009 when 609 students were enrolled, the 2020-2021 school year saw enrollment number at 705. Our elementary students typically exceed state averages. In addition to core subject options, high school students are also offered applied technology courses, band, choir, Vocational classes, and other elective courses. For more information on the Lake Park Audubon School call 218-325-0754 or check out their website at www.lakeparkaudubon.com.

Events in this small town bring big fun. The Midnite Riders annual "Old Timers Snowmobile Run" kicks off the year happening the first
