## Top Reasons People Choose Barnesville!

Whether you're looking for a fun place to visit or a great place to live, there are many reasons why people choose Barnesville!

### Reason Number 1: Convenient and Central Location

Centrally located between Fargo-Moorhead and Fergus Falls, Wahpeton-Breckenridge and Detroit Lakes on Interstate 94, the Barnesville community of 2,670 is a 25-minute commute in any direction. That makes today's busy travel to and from work easier and more enjoyable in west central Minnesota.

### Reason Number 2: It's All About the Kids!

The Barnesville community is second to none when it comes to children and youth. Year-round activities for youth include sports leagues, camps and enrichment classes, music and arts programs. If you feel like a lazy summer with less structure, just head to the city's Blue Eagle Lake for swimming at the beach or fishing from the dock. The Kava Family Splash Pad in McGrath Park is also a sure way to put smiles on all the kids' faces!

### Reason Number 3: Great Housing and Abundant Parks

Shovel-ready lots are now available in the new Del Acres Gilbertson 3rd Addition. These lots start at \$12,000 and are selling fast! There are also seven spec homes that being constructed for occupancy in the early fall. Incentives offered in the City of Barnesville include \$500 utility incentive with the purchase of existing homes and up to \$1,500 incentive for new construction. Also available is a 2-year property tax rebate, with no price cap, for new homes constructed through December 2022.

### Reason Number 4: School System Committed to Excellence

Support for the K-12 school system is evident through a fiscally sound school district that places a high value on academic excellence as well as developing character in our next generation of citizens. Construction has started on a \$27 million dollar building project with updates to both the elementary and high school. Exciting additions include new classrooms, a 650-seat auditorium, new gymnasium, walking track and elevated walkway between the two school buildings. Completion of the project is scheduled for 2022!

### Reason Number 5: Wide Range of Businesses

Barnesville offers everything one needs to thrive including medical, dental, optometry, banking, grocery, fuel and more. Check out the community, its services, schools, recreation, churches and more at [www.barnesvillemn.com](http://www.barnesvillemn.com) or keep in touch on a regular basis by liking the City of Barnesville on Facebook.

### Reason Number 6: Municipally Owned Utilities

The City of Barnesville remains progressive in its effort to keep taxes low. City owned utilities as well as enterprises such as the municipal golf course, a liquor store, cable TV and high-speed DSL services all continue to be part of those efforts.

**Reason Number 7: Cutting Edge Technology** In 2015, the City invested millions in a high-speed fiber project to provide internet speeds of up to 1 Gigabyte to every property in Barnesville.

### Reason Number 8: Fun!

Besides the Potato Days Festival in August and the Clay County Fair in July, every week there are events and activities for the entire family – from sporting events to pancake breakfasts, golf tournaments to city-wide rummage sales.

Barnesville is truly the 'Gateway to the Lakes'. Whether you come to visit or make the decision to come and buy a home you're certain to find Barnesville to be a "neighborly place to grow!" For more information, go to [www.choosebarnesville.com](http://www.choosebarnesville.com).
