For over seventy years you have trusted Rees Funeral Home to help you plan the celebrations of lives well-lived. We have strived to serve every family with pride, dignity, compassion, and respect during one of life's most difficult moments – the passing of a loved one.

My family and I have worked diligently for over twenty-five years to maintain the highest standard of care and service established by the Rees family. The celebrations of life we have had the honor of planning and carrying out for you have given us a deeper understanding and a greater appreciation of the importance of family.

A family in the Atlanta area recently offered to purchase Rees Funeral Home. After much prayer and careful consideration, and with family in mind, our family and yours, we decided we want to continue serving the people of Lincoln County during their times of need. We will ceaselessly strive to listen to you with compassionate hearts and work diligently to provide you with a celebration of life for your loved one consistent with your expectations.

Rees Funeral Home is now and will continue to be a locally owned and operated endeavor that caters to the needs of this great community and its surrounding areas. We are thankful for your support.
