

LCES students share thoughts, plans for Mother's Day

(continued from page 10)

was thinking some spa stuff and choclet, and maybe clothing. Mine is going to be so good I can't wait when I'm a Mom. Maybe even I will get something like that when I'm all grown. - *Kayden Vaughan*

My mother is the best person ever. She cares for me, she helps me when I am sick, feeds me and I could go on forever and ever. She needs the whole world. I love her to the moon and stars and back again. - *Marleigh Smith*

My special person is my mom. She is the sweetest lady I know right now. My mom is my favorite parent. She gets me things that I don't ask for. We look alike and kinda act the same. I just really love my mom so much I can't even explain it. I'd do anything for her. - *Zaylin Cullars*

The person I am thinking about is my mom. She has taken care of me for 11 years. she cooks, cleans, and makes sure we wake up in the morning. I want to show how much I love her. She is everything I want to be. I love her and that is why I wrote this. - *Pyper Metsker*

The person I am writing about is my mom. She is important to me because she has done everything she could for me and I love her so much. - *Logan Collins*

Thank you mom for everything you do for me. You get me what I want and when I get good grades you give me high fives and if I make all A's on my report card I get whatever I want. I appreciate that.

I love when you laugh at my jokes and sing when you're in the kitchen and I'm in my room.

When I talk about what I did at baseball and football that is a part of playing sports. When you cook me breakfast or supper I have a smile on my face. - *Josiah Stewart*

One of my favorite things about my mom is that she goes to work everyday, runs a business, and still finds time to do things with my family.

Another one of my favorite things about my mom is that she cooks mostly every meal, and she helps put a roof over my head.

My plans for making Mother's Day special this year are to make my mom breakfast in bed and to give her a bouquet of flowers. I would also give my mom a lot of chocolate and candy. My mom would be very proud of me for giving her all of these things. I hope this will be the best Mother's Day ever. - *Luck Turner*

My mom is very special to me, so that is why I plan to make this the best Mother's Day ever. One thing I could do to make this the best Mother's Day ever is to make a flower bouquet for her.

Another way I could make this Mother's Day special is to make a pop-up card for my mom.

A way I could make this Mother's Day different is to make a cake for my mom. I love my mom and want this to be a special Mother's Day because she takes care of me, cooks for me, and sometimes buys things for me.

Those were some reasons why my mom is special to me and why I want this to be the best Mother's Day ever. - *Randson Thompson*

Mother's Day is a day we celebrate our awesome moms. We show our love to our mom buy gifts like flowers. She is that one person that loves you no matter what. Children get a lot of things from their mom. Moms give their children love even when you did something bad. - *Maleah Spence*

Mother's Day is a very special day. Mother's Day is a day where people give gifts to their mother. When you celebrate Mother's Day you give your mother a break from work. If your mother feels down you give her a bouquet of flowers to make her happy. That is what makes Mother's Day so special. - *Christopher Paradise*

My favorite thing about my mom is the way that she keeps me and my brother under a roof. Another one of my favorite things I like about my mom is that she is fair.

My third favorite thing about my mom is the way she keeps her family fed.

Another thing that is my favorite about my mom is sometimes she feeds me brunch for dinner. My last favorite thing about my mom is how she loves and plays with her kids. - *Aden Jones*

Mother's Day is very special and important. On Mother's Day you should really show your appreciation for her. You can show your appreciation by buying her gifts and candies. Flowers are a great idea for a present for your mom. You

can also show your appreciation by crafting something, or writing a letter to your mother. Spending an entire day with your mother could be a good plan on Mother's Day. On Mother's Day you should try your best to show your appreciation for your mother. - *Ella Hudson*

Mother's Day is very important. It is a day where you tell your mom how thankful you are and how much you love her. I'm extremely thankful for everything she does for me. I love my mom because she's the best mom ever. I hope to get her flowers for Mother's Day. - *Lanton Johnson*

Mom, thank you for always being there for me. You loved me and took care of me since the day I was born. We've had so many good moments together and there is still more to come. Mom we have played, cried, laughed, and played together. We have had bad times together but we overcame them. I love you mom, and I will forever. - *Kelton Scott*

My mom takes care of me and does as much as she can for me. Even if she gets mad or sad she always tries to keep a happy face. I might have to do a lot of stuff for her but I get rewarded for it. That's why I love her. - *Kenzie Layton*

My mom is the best because she will get me clothes and new shoes and other stuff like taking me to the trampoline park. Also, my mom is the best because she washes my clothes and lets my play sports. My mom is the best because she gives me food, clean clothes, and a bed to sleep in. Al will give my mom a back massage for free. These are some things that make my mom the best. - *JC Dunsmore*

My mom is the best, she is always planning things to do all together. I cook breakfast on Mother's Day. - *Samantha Cosby*

Here's my story about Mother's Day. First, she takes care of us. Mother's Day is the best day because we get to spend time with our mothers.

Second, we get to give our mothers presents.

Lastly, we celebrate how much we appreciate how much they do for us. I am planning to do a trail ride so she can ride her horse out in the open for the first time ever. There is my story about Mother's Day. - *Bella Howard*

Let me tell you about my mom. My mom gives me things I want. She has enough money to buy it. She works hard and has to sleep all day. She works all night. She is funning and has lots of friends. I'm planning to give her some money. I love her so much, I will give her Hershey's Kisses. Give her a big teddy bear and a new soft pillow. Some new clothes in her size, and finally I will give her a new belt. That is all the facts I love about my mom. - *Corey Glover*

My mom is the best. One thing that I love about my mom is that she lets me play sports. Another thing that I love about my mom is that she gets me new clothes. Another thing that I love about my mom is she buys me stuff, even when she doesn't have a lot of money. One memory that I will never forget about my mom is that when she got me my tablet for Christmas and an Xbox controller. Another memory about my mom that I will never forget is that she lets me stay up sometimes and play my games. Another thing that I love about my mom is that she takes me places and buys me clothes. - *Kaden Jones*

My name is Alice Mae Martin and I am gonna talk about how great my mom and what me and my family do for her. Now let see if this reminds you of your mom.

First, I will tell what we do on Mother's Day. Me and my family take all the mothers in my family out, like my aunt, grandma, my sister, and my mom! I don't know where we are going but definitely something special, and I make a card for the mothers.

Next, I told what we do in Mother's Day, now I will tell how awesome my mom is. She gave birth to me and I am thankful for that. She is an amazing cook, if she was on a cooking show, she would definitely win. She is very creative. She owns her own business and the name is so awesome, it is called Brezzes Way Dot Connor, I think it is Connor, but I don't know exactly. - *Alice Martin*

My mom is the best because she is always happy and never sad. I'm grateful to have my mom in my life. My mom is the best because she never gets mad at me. I get angry at her sometimes, but I still love her.

I love her because she lets me play sports, she washes my clothes, and cooks for me. I'm grateful for my mom because she buys clothes for me, buys me technology stuff and games devices, she makes me stuff and she buys stuff for my needs.

For Mother's Day I want to make her a basket with gifts in it and I want to order some stuff off Amazon for her. That is my story about the best mom ever. - *Bryson Elam*

This is the story about the best mom ever. The first thing is she always helps me with my homework, she plays games outside with me. I might buy her a flower book. - *JR Quarles*

My mom is the best, let me tell you about her and how I am going to help her have the best day ever. My mom is the best, she is the most important person in the world to me. She helps me and she loves. I can be bad for her sometimes but she still loves me and I still love her.

This is how I am going to make my mom's day the best.

I have a memory of her and this is it, we were on our go cart and we wrecked and she broke her arm. She now will not ride anything with me. - *Noah Meagher*

My mom is my favorite because she gets me a lot of stuff and I love her to the moon and back. My mom is the best because she gets me stuff to eat and all that's why she's the best mom I could ever have. One more thing, she the best because I will never forget when she took me to a huge waterpark.

I'm planning to get her a gift for Mother's Day because she is the best mom ever. I love her so much that I might get her a big gift because she's the best mom I could ever have. She is the best mom because I remember when she took me to get a Xbox four years ago.

I love my mom so much and she's the best mom I could have. Thank you, that is my story of my mom. - *Lee Quarles*

I'm so grateful for my mom. She is nice and kind and so sweet. She makes the best cake, I love her cake. - *Savannah Riggs*

Let me tell you about my mom. My momma is the best because she does everything in her will and in her power to keep me safe. To begin with, I just love my momma. I love her because she's always there when I need her. I just love that when I'm just playing about something that I want, she gets me it anyways. I also love that my momma like helping elder people. She also gives me anything I want. - *McKinlee Wells*

My mom is the best so let me tell you about how she does stuff for me. My mom works every day. It is about to become Mother's Day so I am going to do a surprise for her. First I am going to tell you how she works every day for me and my sister and all my brothers. When she comes home from work, she feeds us and then she does laundry. She cleans the house then she puts us in bed. Then she gets up the next day and does it all again. - *Emma Rogers*

Let me tell you about my mom. My mom is very special, her name is Yari Wortz. She is always there when I need her. She bakes special things for everyone when they want it sometimes. She takes care of me and my siblings. My plans for Mother's Day is I am going to make a jewelry bowl and I made her a necklace to go with it and it is shaped as a heart because we love her. She makes food for us and cheers us on when we need it like soccer games, concerts. We will make her something special. We know she loves us very much and we do too. When I was in second grade, she would come and help my teacher, and once she brought gingerbread men and we got to decorate them. She buys stuff for us for school. - *Naomi Wortz*

Dear mom, you are the best. I really appreciate everything you do for me. When I'm sad, you cheer me up. And all the years you raised me. So it is time for me to do the same for you. You are the best mother ever in the whole world. I will never forget all them days you were there for me. You're the best mother ever. I love you, love Tanner. - *Tanner Savage*

My mom is the best mom that I could ever have in the whole world. The things I love about my mom is that she is always nice to me. My mom is so much that I will never forget her. One thing that I want to do with her on Mother's Day is go to a restaurant with her or have a girl's day with just me and her. - *Tinley Williford*

My mom is the best because when I'm sick she takes care of me. She is the best because she makes sure we have everything we need and want, and she makes sure we have a roof over our heads, and food on the table. So I decided to do something special for Mother's Day. I'm going to let her sleep in and when she wakes up, I'm going to make her breakfast and some coffee and I'm going to buy her anything at Walmart she wants as long as it's \$20 or under. So that is why my mom is the best and why I'm doing this for her. - *Lauren Clary*

My mom is the best because she lets me play Fortnite and get off restriction. Another reason is that she buys me Fortnite skins. The second reason is she plays fortnite with me sometimes. The third reason is she cooks breakfast, she basically just cooks eggs, bacon, sausage, and colorful pancakes. - *Cason Anderson*

My mom is the best - here is how it goes.

First my mom let me get anything I want. Also, my mom treats people how she wanted to be treated. Next, if I ask for a game, she will get it.

Secondly, I think we are going to Myrtle Beach and celebrate Mother's Day. Also, my favorite thing about Mother's Day is that you get to have fun with your family and mom. Another thing is that you get to finally make your parent happy by buying them their favorite thing, example earring, apple watch. Also a iPhone 12 or iPhone 11. - *Jordan Garrett*

There are lots of things I like about my mother or mama. But the thing like the most is the fact she can handle about 6 hours of work. She can deal with my dad really easily. But the most important of all, she has the mental capacity to handle 2 children and 4 dogs.

As for what we're going to do for Mother's Day, I have some ideas. First we might do the normal breakfast in bed, but we usually do that. Secondly, we could go somewhere for the day. Finally, we could just play a board game.

Whatever we do for Mother's Day, it'll probably turn up to be me and my older sister bothering her. - *Stephen Buller*

This is why Mother's Day is the best. First of all you get to spend time with your mom. You get to give your mom a present. We appreciate whey they give and do for us.

Second of all, my mom is the best because she lets me get anything I would want. Next she is love to us, she does a lot for us, but my dad does too.

Lastly I plan on making her gifts and card and something especially for her. I am going to give her a card that has horses all over it and a gift. I hope y'all love my story about Mother's Day. - *Brianna Howard*

My favorite thing about my mom is that she is thoughtful and nice. She is the best mom because she gets the things that I want. She helps me when I need help. She also is super helpful. She does stuff for other people. She always helps my siblings with their stuff.

She is the best mom because on me and my sibling's birthdays, she buys us a lot of stuff. She also tells us stories about what happened today at work. We can count on her when we need her. She does not get mad at us a lot. That is why I love my mom. - *Bryson Hogan*

Do you wish your mom was cool like mine? Well, if you do, here are some facts about her. First of all, she supports me like when I do a sport, she will come to every game. Like for instance when I was playing softball, she came to every single game to watch me play.

My favorite things about my mom is that if I need something, she is always there to give me things I need or want. For example, it was Christmas and I asked her for a new phone and she bought it and gave it to me, she is the nicest person I ever met. I love her and she is so supportive. She is the best thing that ever happened to me. I am going to give her biggest gift ever, I love you mom. - *Zariah Jones*

My mom is the best. She's cared for me my whole life. Even though sometimes I don't do what I'm told. But this Mother's Day I want to do something special for her. My favorite thing about my mother is that she is beautiful and kind.

I want to make a flower bouquet, I think she will love it. Only I don't know where to find flowers. Maybe I can go buy one. No that's not even special. Maybe I can go ask my step-dad where to find some. Yes,

that's it! I know what to do now. I will be the perfect Mother's Day gift. Petty, yellow, red, and white flowers.

My mom is going to love what I'm going to make for her. She loves flowers more than anything in this world. I really hope she loves them. My mom is taking me to Lauren's house, she's the best. I love my mom. She also keeps food on the table, a roof over my head, and a way to get to school to every day. - *Carly Holloway*

My mom is the best. I'm saying that because it is close to Mother's Day and here are some things that I do on Mother's Day.

First me, my dad, and my brother we go to get my mom gifts from shops like clothing and jewelry. My mom loves clothes and jewelry, she really likes rings best though.

Next, we go and pick up my mom with the gifts. Then we get some lunch, or dinner, usually it's dinner though. We eat at the Mexican restaurant most the time. My mom opens her presents while we wait for the food.

Lastly, we usually go over to a friend's house to play some games. We usually play Uno, cards, or Phase Ten and lots more. My mom loves to play Phase Ten so we play that first.

In conclusion, my mom is the best for everything that she does for me and my family so on Mother's Day, it's our turn to treat her. - *Skyla Stewart*

My mother is the best in so many ways that is why I love her! To begin with, my favorite things about my mother is she loves me the same way I love her. She buys me clothes and shoes. I really thank her for having a roof over my head.

I wanted to do something for her on Mother's Day, but I don't know what to give her. I wanted to plan a little surprise for her because she did things for me like she had me a birthday party, she did stuff for me on holidays, and more things. Second of all, if I were going to plan something, how was I going to get it and I didn't know how was I going to afford it. Last, but not least, I really thank my mom for making me breakfast and stuff in the morning. That is why I love my mother so much! - *Amnyla Roberts*

My mom is the best. For Mother's Day I plan to give her a card and make something special for her. I love my mom, she is the best. I say that because when there is a need, she gets it. Also, she gets me wants, but I don't really care because I honestly don't need them. Mom is a great fan. If there is a sport I play, she's most definitely going to be my #1 fan. When I'm with my mom, I'm never bored. I always tell her that it's fine that we can't go anywhere, but by the time I'm done talking, she has this big trip planned. If you ask me if you had a mom like mine you would be typing the same as me. Even though I get blamed for some things, I still will always love her. - *Eric Thompson*

I love my mom for everything she does. One is she will play with me at home when my brother doesn't want to. She will also help me with my work when I can't figure it out. She will help me and Carter with the dogs when we are playing baseball or when we are doing homework. I also love when she reads a book to me at night. These are all of the things I love about my mom. - *James Rowland*

My mom is the best mom every. My personal favorite thing about my mom is that she is scary cool. She is scary cool because she lets me get whatever I want like clothes and hills. She also is the science/very smart kid's teacher. She has 1,2,3,4 and 5 grade classes. She is also the best because she has a father that fought for our country.

I am going to be planning something special for Mother's Day, because my dad will force me to, like for my mom's birthday. Thank you for reading this. That is why my mom is the best. - *Makayla Williams*

My mom is the best mom ever. My favorite thing about my mom is that she's funny, she loves to sing, and she loves to ride and support me when I race my mom is kinda like the cool parent so we usually go swimming in the lake and she always takes us tubing on the boat she will always go out and throw the baseball or the football. My mom is always there for me if I'm hurt from motorcross or if I get first, she will cheer me on. On Mother's Day I usually get home and my parents are not there until after two hours or more so I will get the house

clean and make it spotless and I will decorate and I will make dinner since I know how to cook. And that is what I will do for Mother's Day. - *Skylar Whittington*

Third graders
Sunday is Mother's Day and I plan to make it special for my Mom by giving her roses, breakfast in bed, fixing her coffee, making her a card, and doing extra chores. I love you, Momma. - *Lucy Matthews*

My favorite thing about my Mom is that she is nice and she is sweet. Also, she likes to play video games with me. - *Jan Givens*
