

Macon County Adoptables

Abella is a very personable gal. At 2 years old she is full of life and thrives on attention. Abella would make an awesome playmate for someone.
Apply here: dmcasf.org

Sweet Piper was brought to us with two other cats (Holly + Ivy). Piper needs someone who will give her a chance and provide her with the love she deserves. Since arriving here, Piper has been on the quiet side not so sure what to think about life at the shelter. While Piper is a bit of a shy girl, she quickly warms up and enjoys pets on her soft fur.
Apply for Piper at dmcasf.org

Kung Fu is a big bobtail boy ready for a home! This loveable guy is always happy to see you, he could be called the greeter of the room. Kung Fu would love to find someone to keep company for the New Year!
Apply at dmcasf.org

2-year old Jewels is a kitty of few words, not much seems to bother this girl. Jewels arrived at MCAC as a stray and has quickly adjusted to shelter life. Staff has noted that she loves her food and is pretty well-behaved. If she sounds like the cat for you, fill out an application at dmcasf.org

Cala is a gorgeous dilute/lilac tortie point mix looking for a home. She came in as a stray and while she can be timid at first, she loves to show off her biscuit-making skills. During the day, you can often find Cala relaxing in her bed or on her favorite perch.
To get an appointment, start by applying for her here: dmcasf.org

Today, the Joint CCT is reporting 49 newly-confirmed cases of COVID-19 since January 2, 2021. On Sunday, January 3rd, there were 27 new cases of COVID-19 and today, January 4th, we have 22 new cases. Therefore, since the start of the pandemic, the total number of confirmed COVID-19 cases in Macon County residents is 8,175. Please acknowledge that every person affected by this pandemic is a human being with family, friends, and a future that is changed by COVID-19. It is up to every single member of this community to do EVERYTHING that they can do prevent the spread of this virus and the consequences associated.

As of Monday, January 4, 2021, there have been over 2,500 people vaccinated in Macon County. Vaccines continue to be administered to eligible parties on a regular basis as vaccine is available. Vaccinations will be administered according to the ACIP, CDC, and IDPH guidelines and phases developed. As additional clinics are scheduled, the community will be informed when appropriate.
