John D. Hawkins

John D. Hawkins, 71, of Newman died at 3:05 p.m. Wednesday (June 30, 2021) at Carle Foundation Hospital, Urbana.

John was born on Nov. 24, 1949, in Paris, Ill., to John and Jeanne (Roberts) Hawkins. He married Mary Mulcahey on Aug. 8, 1970, in Bongard.

He is survived by his wife, Mary Hawkins; one son, John (Sara) Hawkins; three grandchildren, Charlotte, Amelia and Grant; three siblings, Sam (Teresa) Hawkins, Zala (Eric) Swigart and Glen (Cindy) Hawkins; and many nieces and nephews.

He was preceded in death by his parents; daughter, Beth; and a grandson.

When John was 45, he was diagnosed with a benign tumor compressing the spinal cord and was paralyzed from the chest down after its removal. Initially, it was felt that he would not walk again, but with uncompromising willpower, stubbornness and true grit, John walked many years afterward with forearm crutches.

Carle Physical Medicine and Rehab Department wholeheartedly assisted John in reaching his goals. They were always a phone call away; they never let him down. They followed him from age 45 until the end. John did not allow his disability to keep him from farming and driving his red Chevy truck.

A funeral Mass was held at 10 a.m. Friday, July 2, at Sacred Heart Catholic Church, Villa Grove, with Father Aloysius Ndeanafo officiating. Burial will follow in St. Joseph Cemetery, Bongard. A visitation was held an hour prior to the funeral Mass (from 9 to 10 a.m.) at Sacred Heart Catholic Church.

In lieu of flowers, memorial donations may be made to the Newman fire department and first responders, or St. Joseph Cemetery, Bongard.

Financial assistance opportunity available for LLC students

Lake Land College students who are enrolled for Fall 2021 in a workforce ready program could be eligible to receive financial assistance if the program is approved through the Workforce Investment and Opportunity Act (WIOA).

Students will have the opportunity to visit with a representative at the Lake Land College Kluthe Center on July 21 from 9 a.m. to 1:30 p.m. or at the Luther Student Center located on the main campus on July 28 from 9 a.m. to 1:30 p.m. to learn more about qualifying for the program.

The financial assistance may include tuition, uniforms, tools, transportation, child care or many other areas. This assistance would be in addition to any federal funding a student may already be receiving or any other financial aid.

Workforce ready programs are those that prepare a student for an immediate career upon graduation, such as nursing, physical therapist assistant, welding and many other associate and applied science and certificate programs.

The program must be approved by WIOA as an Occupational Skills Training program. Representatives from C.E.F.S., a non-profit community agency designed to help people reach their potential, will be available to talk with each student for a brief private meeting to determine eligibility.

Lake Land students from the Effingham area who are unable to attend this day can contact 217-240-3079, 217-240-3078 or 217-347-2102. Lake Land students from the Mattoon area who are unable to attend this day can contact 217-279-0373, 217-279-0374 or 217-279-0375. Students in Shelby County can call the WIOA office at 217-774-5550.

Students must be regis-

tered for the fall semester at Lake Land College to receive benefits before the semester begins. Students who register after the semester begins will have to wait until the next semester to receive any benefits.

A Lake Land College academic counselor will also be available at the Kluthe Center during this same time to advise potential students who would like to register for fall. Students can also meet with representatives from Financial Aid, Perkins and TRIO Student Support Services to see if they qualify for financial assistance from these programs.

Additional questions can be directed to Kellie Niemerg, director of the Kluthe Center, at 217-540-3500 or Jennifer Melton, academic counselor at 217-234-5251.
