

Faith Community Church, a non-denominational church

Faith Community Church is a new church that has deep roots in Humboldt. Several years ago conversations began among friends about the possibility of some churches coming together to begin a new church in Humboldt. Faith Community Church is the fruit of those conversations. The church is blessed with a wonderful facility that was First Evangelical Presbyterian. The congregation of that church became a non-denominational church and was part of the group who helped to form Faith Community Church.

In 2021, the church asked Dr. Don Thrasher, then pastor of Northside Church in Jackson to meet with them and share the process of forming a new church. When Don Thrasher announced he was retiring from Northside, he met with leadership to consider coming to the church as the first full time pastor. Rev. Kevin Wood was serving as interim pastor of the church and was an amazing leader in helping the church walk through those early transitional times. He paved the way for the beginning of the new church.

On December 12, 2021 during the worship

service, 66 people made a commitment to officially begin Faith Community Church. The strong leadership of the people was evident and the new church began with great hope for being part of God's work

in Humboldt. This charter group believes that Jesus Christ is the hope of our broken world. They believe that scripture is the bedrock God has given his people to save them and help them grow in their daily

lives. Faith Community believes serving with Christ to care for their community and world is the purpose of the church. They join with all other sisters and brothers in Humboldt to share the good news of God's love and grace.

PDS is one of the strongest Day School programs in our area. That ministry continues as part of Faith Community Church. PDS serves children ages one to five. Children graduating from PDS are kindergarten -ready and excel in public and private schools. The staff of PDS is an amazing and dedicated team that cares deeply for the children in the program. God's love is shown to these little ones each and every day as they learn and grow.

The church has been blessed to have many visitors and new people becoming part of God's work through Faith Community Church. Everyone is welcome to come and join in our worship and ministry opportunities. They give thanks for all God has done in the past and we stand ready to live out their faith in this present moment with excitement about what God has in store for the future.
