# Middle School Wildcats

Developing young talent is a key part of any winning baseball or softball program and Greene County High School's programs are doing a great job on that front. Both programs include middle school players who show the talent and interest needed to compete. Coach Tyler Barham has several youngsters who have found their way to the varsity lineup while many others are seeing playing time in junior varsity schedule. Up the road at the baseball facility, the Wildcats have a 13-man roster for a separate middle school team with a 17-game schedule on tap. The team is coached by Kaelin Moore, with the assistance of Paul Jamil, Hunter Garretson, and Garrett West. Of course, GCHS Head Coach Nick Chatham, pitching coach Dale Kimble and hitting instructor Josh Banashak get involved with practices and games as well.

Members of the GCHS Baseball Middle School Team are Cordarius Molten (1), Jackson Odom (2), Braedon Spivery (3), Bryson Spivery (4), Kash Kittrell (7), Zaine Moody (13 - not pictured), Jackson Denmark (12), Eli Herring (15), Brody Jones (24), Noah McLeod (27), Coen Walley (32), Austin Palmer (33) and Porter Miller (34).
