Next Level Wildcats ...

Two former Greene County Wildcats are continuing their playing careers this spring at the collegiate level. Mary Grace Turner, a 2017 graduate of GCHS, is a fifth-year senior in her third year at William Carey University. The former Wildcat catcher was a Southern States Athletic Conference (SSAC) All-Conference and Second Team All-Region selection a year ago after finishing with a .350 batting average, 21 extra base hits, and 40 RBI's. So far this season, Turner was named the SSAC Softball Player of the Week as the nationally-ranked Lady Crusaders went 4-0 for the week of Feb. 14-20. During that span, Turner hit .500 and slugged 1.167, while totaling six hits, five runs and eight RBIs. One of her four extra-base hits during that time was a walk-off grand slam over Xavier University. Kenneth Moore, a 2019 graduate and former standout for Coach Nick Chatham's Wildcats, is back on the field as well this year at Holmes Community College. Last season, Moore was the second-

leading run producer for Holmes, driving in 21 runs, while batting .223. He belted 13 extra-base hits in 2021, including two homers. Moore is a starter on the infield for Holmes, who is off to a 3-5 start to the season.
