

Offense

Continued from Page 5-C

sophomore with a .298 batting average through 57 plate appearances. She appears set for a larger role this season and is off to a good start. She missed a few games due to participating in the county's Distinguished Young Woman program, but has hit at a .667 clip through three games and driven in three runs, while also scoring three times.

Meadows had a strong junior campaign with a .472 batting average. The Pearl River Community College signee hits for power and average and accounted for 24 runs last year. So far as a senior, she is batting .400 with five runs scored and three RBIs.

Jordan and Knight led all returning starters a year ago with nine extra-base hits, including one home run. Jordan finished her sophomore campaign with 11 RBIs and 16 runs scored. Through three games this year, she is among the team leaders in on-base percentage. Knight with 17 runs scored last year and is hitting at a .455 clip so far this season.

Keys played in 10 games last year, but did not have a varsity at-bat. But, the sophomors has been hot out of the gates so far this season. Stats through three games show her tied for the top batting average (.667) and leading the team in

slugging percentage (.833) with five runs scored and three driven in.

Erin Meadows was among the team leaders in plate appearances as an eighth grader, and took advantage of the opportunity by posting a .429 batting average. Meadows is expected to be a major contributor this year and gives Barham the luxury of having a solid hitter with good speed propping up the back end of the lineup.

Making an early impact in her first campaign with the Lady Cats is Tungett, who is carrying a .500 average at the plate and reached base 60 percent of the time thus far.

GCHS junior Breeze Jordan (Above-R) is shown talking with senior CharLee Meadows in between innings of a recent game. Meadows and Jordan, who hold down the 3-4 slots in the regular Lady Wildcats' hitting order, are two of the top returning hitters on a squad that packs a solid punch.

Seventh grader Addie Tungett is shown talking with GCHS assistant coach Chasity Jordan after reaching base in a game earlier this year. The Lady Wildcats have found a lot of talent in the county's junior high schools in recent years and this year is no different. Tungett is expected to not only make a difference at the plate and on the bases for the Lady Cats, but also in the pitching circle.
