

Senior breakfast kicks off final few days of high school for GCHS grads

Event filled with fun times, fellowship and a few ‘unique’ awards

— From Staff Reports —
The GCHS Class of 2022 gathered one last time as students when they met last Wednesday for their Senior Breakfast and rehearsal for graduate ceremonies.

Coach Bray welcomed the students to breakfast and congratulated them on a job well done and reminded them to act accordingly for their graduation ceremonies. This would be the last time this group of students would listen to their high school principal give them a speech on their behavior. It would be the last time they sat as a class at school to listen to their teachers remind them of their dress code, the time they need to arrive and the last time they would sit in the cafeteria with one another to chat over breakfast. Although this would be the last for the class, Bray reminded them GCHS will be a beacon for them.

“I want you to know we are proud of each of you,” Bray said. “No matter where you go, Greene County High School will always be your home.”

Each member of the class gave their full attention. They sat and listened to those final words and took in the meaning of this day they had to share with one another. They knew CharLee Cook was not joking when she told them to come in dress code. They knew Coach Bray was serious when he told them there would be no graduation shenanigans, and they took Paula Hensley seriously when she told them to be on time.

“This ceremony is a dignified event,” Cook said. “Your parents and your families have waited a long time to see this, and they have put in a lot of hard work to help you get here. Make them proud.”

Sadé Woullard is shown sharing a laugh with classmates after she and Tyler Dickerson were presented with the award for *Most Likely to Remain High School Sweethearts* during the senior breakfast on Wednesday, May 25. The breakfast and silly awards banquet has become a tradition over the years at GCHS and is held prior to practice for Class Night and Graduation.

says so and so is coming by Wildcat (Corner), and they’re almost here, at 5 o’clock, he’s (photographer) is taking that picture,” Hensley said. “Don’t be late.”

Although these students were full of excitement for this final rite of passage from their childhood, it was clear to see they were thankful to be there, listening to this final lecture in high school. They were thankful for the teachers, their administrator and each other. Even though it was a bittersweet morning, these students and teachers had a few more laughs before their time together was done. The traditional GCHS Silly Senior awards were announced by Paula Hensley, and in traditional fashion, she seemed to be spot on according to those who received their awards.
