## GCHS Cheer squad pumped for season

By **RUSSELL TURNER**  
Herald Editor

The Greene County High School Cheerleaders are excited about cheering on their classmates this year during football and basketball season. They are also primed for their own com-

petition season which begins later this year.

The Wildcat Cheerleaders began this season's preparations by attending the Mississippi State University UCA camp this summer where they learned new sideline formations and dance routines to perform for pep rally's, competition

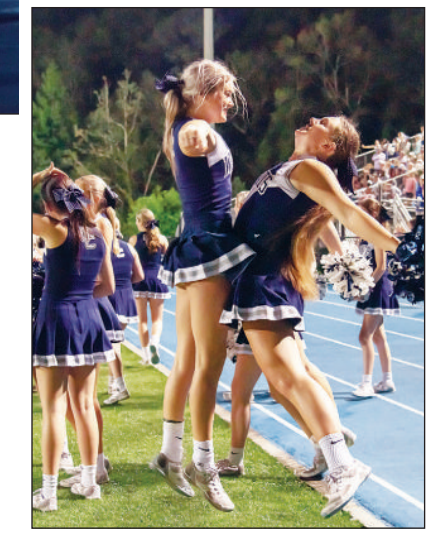

and on game days.

"Our squad is taking this year to the next level with morning and evening practices," senior Co-Captain McKinzye Breland said. "We practice before school at 6:30 a.m. and after school on some days. We've also been working with coach Dailee Popania on stunting,

routines and gameday."

Joining Breland as captains are Gracie Walley, Breeze Jordan, Gabby Davis, Kennedy McCann, Maryah Moulds and Kaleigh McLeod.

The young women will be representing their school and community at the Mississippi High School Activities Association (MHSAA) State Cheer Competition at the Mississippi Coliseum in Jackson in December.
