# North Central High School JROTC

Congrats to our Knight JROTC cadets on completing the JROTC Cadet Leadership Challenge last week at Fort Jackson! The camp included High/Low rope course, drown proofing, canoeing, archery, STEM activities, sleeping in barracks, drill, obstacle courses, and repelling down the Victory Tower wall. Some of our staff even got in on the fun for Educator's Day. Mrs. Kirkland, Mr. Horton and Mrs. Strickland joined the crew for several activities. Mrs. Strickland even faced some fears of heights and did the ropes course! Major Young and First Sergeant Parish are incredible leaders and are doing outstanding work with our cadets! Way to go to all for a job well done! #KnightStrong #KnightFamily #myKCSN Nchs Jrote
