

# Yukon Czech Christmas Market December 3

By Jacob Sturm  
news@mustangpaper.com

Yukon will be the host of a Czech related event sure to draw the interest of plenty this holiday season.

The Yukon Czech Christmas Market will be up and running on Dec. 3 from 11 a.m. until 7 p.m. at Rt. 66 and 10 West Main.

It is an outdoor market like the

European style old-world markets where food, gifts and more are sold in a small booth set-up so people can shop and socialize. With Yukon's storied Czech history, there is no better town to set up shop for the market.

So, what can people expect at the market?

Look for a vintage Santa & Truck, marshmallow roasting and hand-warming stations, a Christmas Tree Display, along with Wassel and Punsch when at the market.

As long as they last, people can find commemorative mugs as they shop. There will also be local wine tasting, Czech Kolaches (pastries) and a combination of Christmas and Czech music.

Guests are welcome to join in the festivities in traditional Czech attire.

# Midwest City High School hosting Donuts with Santa

By Jeff Harrison  
mwcbeacon@yahoo.com

Santa Claus will be making a stop in Midwest City.

The Midwest City High School DECA club will host Donuts with Santa from 9 – 11 a.m. Dec. 3 in the school cafeteria.

The event includes donuts, drinks, photos with Santa and his elves, and more than 40 games and crafts. This year students have added an indoor, Christmas themed bounce house for small children. We will have over forty different booths of crafts and games this year.

"I love setting up for the event and transforming our commons area and cafeteria into a Christmas wonderland for the kids and parents to enjoy," said Nayani Brown, a senior at MCHS who has helped with the event for three years. "Getting to see the children interact with Santa. But most of all... the donuts!"

Admission is \$5 and children two

and under are free. Tickets may be purchased at the door or by emailing akerr@mid-del.net.

Donuts with Santa is a community service project to benefit the McKinney-Vento program for Mid-Del Public Schools. The program gives clothing, food and other essential items to students in the district who are homeless. The school started the project six years ago, but did not host it one year due to COVID-19.

Andrea Kerr, MCHS teacher and DECA sponsor, said her students enjoy helping with the event every year.

"This year is the largest turnout of student volunteers we've had so far. Our high school students love providing fun for the children in our community and they understand the importance of helping provide for the McKinney-Vento program that our ticket sales goes to," said Andrea Kerr, MCHS teacher and DECA sponsor.

Midwest City High School is located at 213 Elm St.
